

Disposable Hospital Linen

Our range of Disposable Pillow Cases and Bed Sheets are made from hydrophobic Spun-bond Polypropylene, guarding against stains and spills and assisting in infection control and cross-contamination risk. The products provide a highly cost effective and versatile solution whilst assuring optimum hygiene and comfort for patients.

Ideal for use in hospitals, doctors rooms, frail care facilities and other professional medical settings, especially in areas where short stays and frequent bedding changes are routine. The products can also be used under normal pillow cases or bed linen to provide an additional protective layer.

DISPOSABLE HOSPITAL LINEN
